15 minutes later...

Well, can't say I didn't try... Hey, for all we know, your love could be just around the corner...

...or right at the door.

I'll get that!

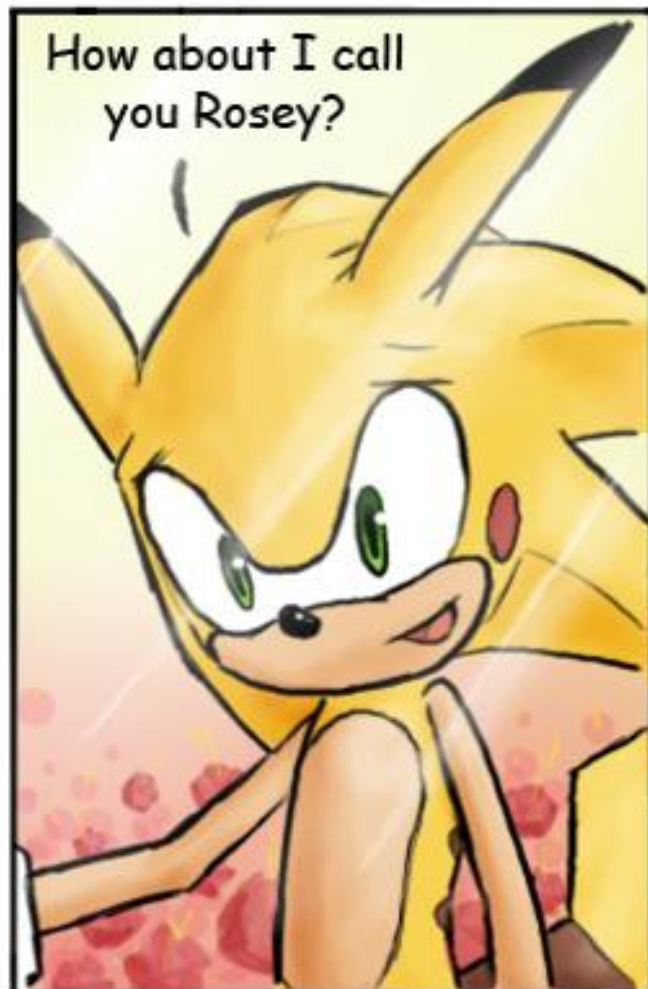

Hello, how may I...

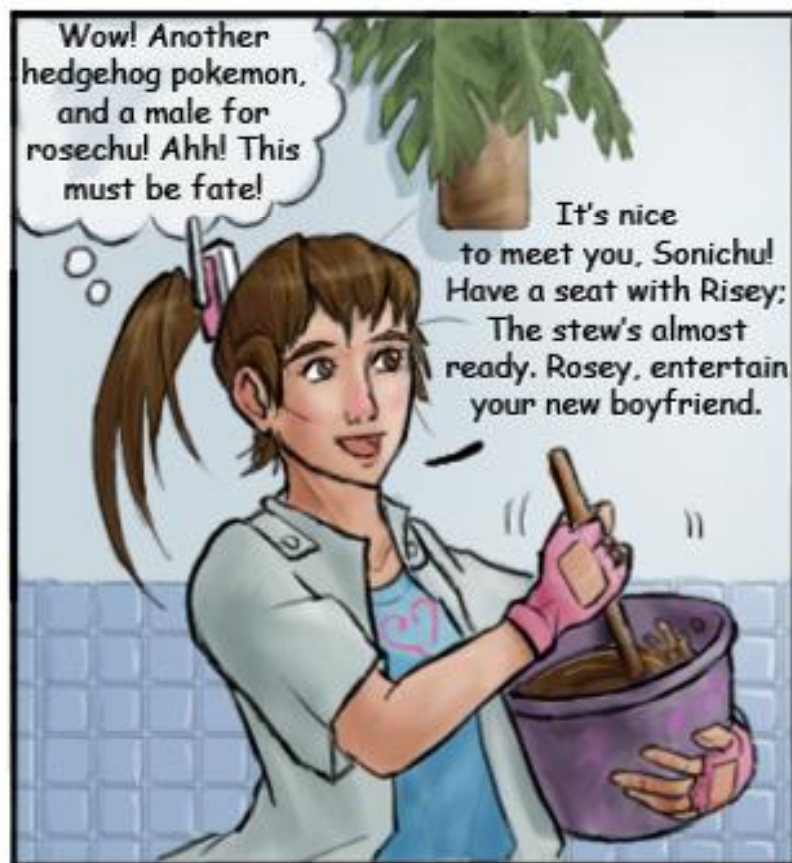

Hey.... I'm a wild one who hasn't eaten much for over a week. Can you help me out?

One night, a few days later...

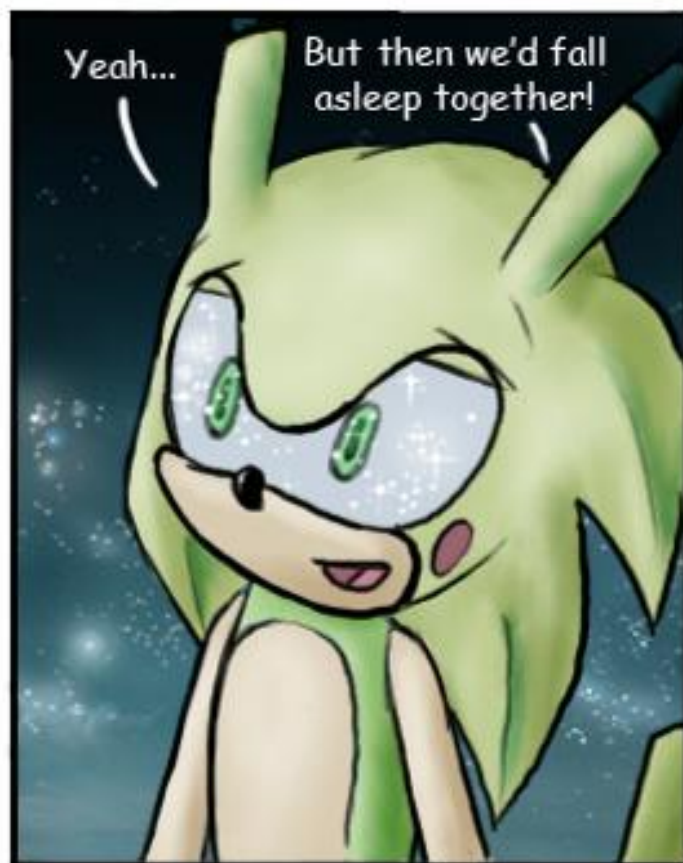

Isn't the night
sky so romantic?

It sure is!

I could just sit here
and look at it for hours
with you!

Yeah...

But then we'd fall
asleep together!

SONICHU

I still can't believe this, even after what happened...

...earlier, when Kel had to run some errands at Cwcville Mall, and allowed Rosey to Borrow her credit card...

Kel entrusted me to make sure Rosey didn't spend over \$100.

At first, it was easy, due to her will-power. But then with all the sales and coupons...

Hmm... \$20, for this lovely bracelet... Wait! 75% off? All right!

....well, I'm not superman!

Thankfully, Kel gave me cash for lunch, but how was I to know that cheeseburguers had pickles?

Ahh... That salad was great! What's wrong, sweetbolt?

I... I... H... Hate... P... P... Pickles!

And then...

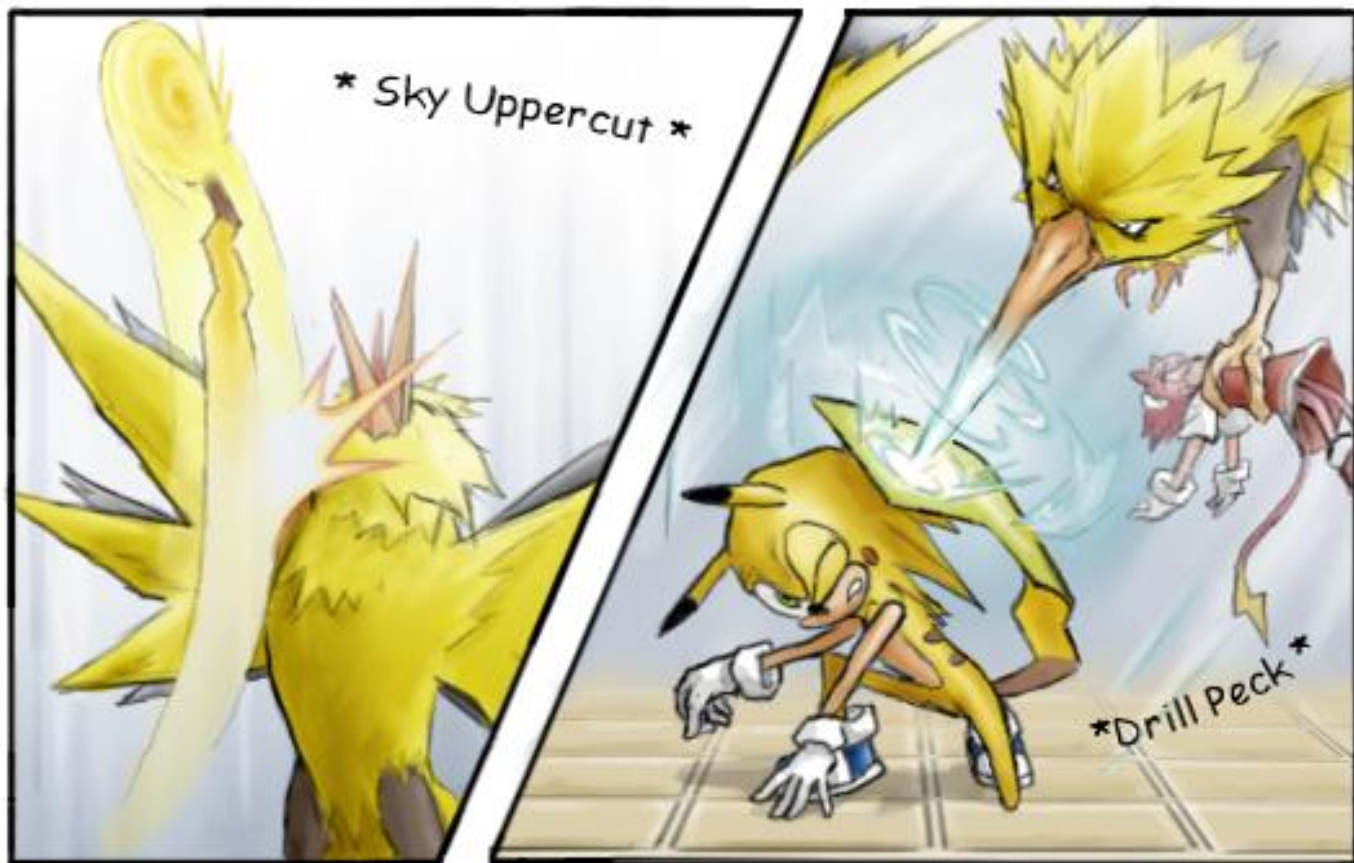

His Zapdos snatched my love!

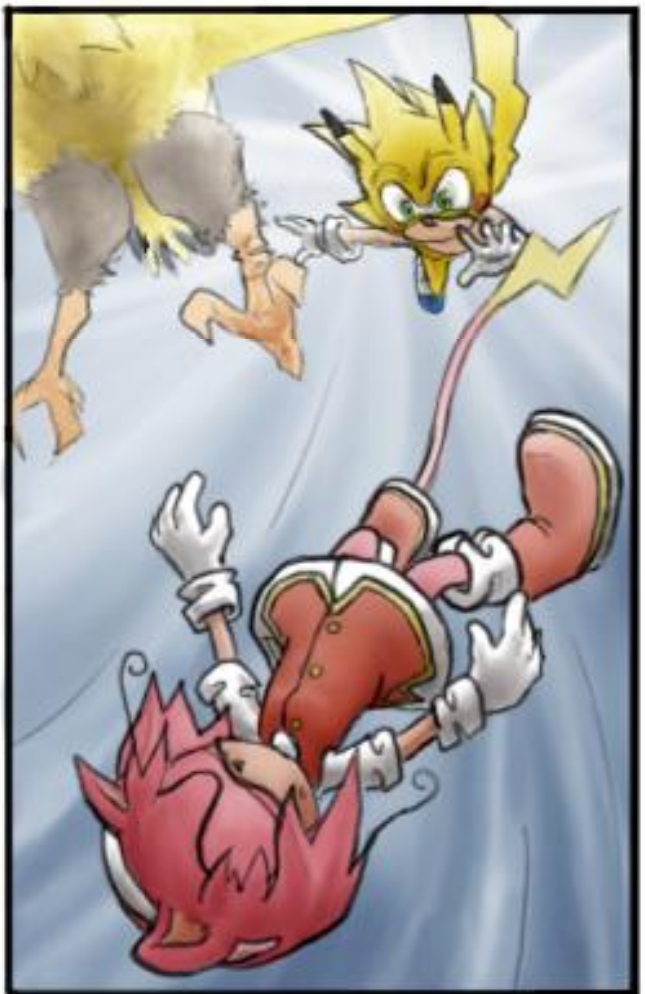

Wich brings us up to date.
Please excuse me while I save
my girlfriend!

Enjoy your victory now, hedgehog, but we will meet again! And when we do I will capture you for my father and Team Rocket!

Let's go, Raikou!
